Le Chéile, supporting positive change in the lives of young people & families

Our mentoring and youth justice charity trains and supports volunteers from local communities to work with young people who offend or are at risk of offending, and their families. We provide mentoring and family support to help them make positive changes in their lives.

Le Chéile is Irish for '*together*' - we believe communities can achieve more when they work together.

Le Chéile has projects in Dublin, Cork, Limerick, Waterford, Tipperary, Kildare, Laois, Offaly and Meath.

Find out how you can make a difference at www.lecheile.ie

What Our Volunteers Do

Le Chéile Mentors act as a positive role model, advisor and friendly support. Young People and Mentors meet once a week in their local community to do fun activities and work on goals.

Volunteers are fully trained and supported throughout their match by Le Chéile. No previous experience required.

What We Do

Referral to the youth mentoring service is through the Probation Service and other Irish Youth Justice services. The young people referred are aged between 12-21 and may be from a vulnerable background, with a number of issues and in need of support & guidance.

Mentoring focuses on being a positive role model to a young person and helping them improve pro-social behaviour, personal development, communication skills and positive lifestyle choices.

Le Chéile's Services

Le Chéile was established in 2005 to provide a mentoring service to children and young people under the Mentor (Family Support) Order of the Children Act 2001.

Le Chéile's services to young people and their families include:
